

Dear Parents,

Welcome Back to another school year at JL Boren Elementary School!! PTA and our incredible staff are teaming together to ensure that this is an amazing year for our students!

PTA is a group of parents and educators that promotes community involvement and builds a closer relationship between home and school. PTA is a great way to take a more active role in your child's education!!

Boren PTA provides a variety of educational programs and events throughout the year. These events are meant to promote school spirit, help create well-rounded children, as well as build a sense of community.

In addition to the many events, we also fundraise to provide the school with field trips, classroom supplies, college scholarships, and state of the art technology.

Becoming a PTA member is easy. Attached to this letter is all the information on how to get involved in PTA. The easiest way to become involved is by becoming a member. **You do not need to volunteer your time to be a PTA member!! Any adult in a child's life can become a PTA member!** Membership dues are used to kickstart our year and ensure we have the funds to begin events and programs PTA organizes.

If you would like to volunteer your time and become more active in the PTA, please fill out the volunteer form in this packet and come to a PTA meeting!! We would love to have you!! Volunteering is a great way to show your children leadership skills and be a social role model in a way that directly effects their lives. We are always happy to use each volunteers unique skill-set in our organization.

This packet also has information about our website www.jlborenpta.com. We are excited about some of the new features that allow you to buy all PTA-related items on the website using PayPal!

I am very excited to see all of the things PTA accomplishes this year to make Boren a memorable and exciting place for our kids to grow and learn!! Please join us!!

Thank you!!

Nicole McCulloch
